In Dedication to my

and to my family
still living in Babylon.

About the Author

Firstly, I am a Christian and the author of a previous book entitled, *Babylon the Great: Day of Destruction, Edition One*, published on June 5, 2016. For more information about my education and personal life, please see the *About the Author* section of the previously written book cited above.

For authorship purposes, I use two pseudonyms for communicating to the public at large. The first is Babylon Man. I use that annotation since it is easy for people to remember, and I have a YouTube channel entitled BabylonManERC. The other name that I use -- when a more normal name seems to be required -- is Michael Ross.

I now live in the Philippines and have started a small entity called E.R.C. Communications. The E.R.C. stands for Eschatology Research Council. As the name suggests, the mission of E.R.C. Communications is to communicate the eschatological research that I and others have done in a way that

is accessible to the public and to provide the public, particularly Christians, with good council on end-times affairs.

As a man who has studied the Word of God for over 30 years, it is my personal belief that the Bible is the most fascinating book on the planet. It is unquestionably accurate, God-inspired, and contains the Truth of salvation. Its prophecies in the past have all come true and is a great testimony to the faithfulness of God. As someone with an extreme love for the Bible, end-times prophecy has been my passion and fascination. I wish to excite other Christians about what I have found in the Word of God and to warn them of what I understand to be true concerning America's future.

Biblical prophecy is met with skepticism and doubt. People often become alarmed with prophetic discussion, and this is unfortunate. Although it is not my intent to alarm, how can one warn Christians without raising the alarm? Instead, the glorious return of our Lord is a promise that should give Christians much hope. It is my wish to excite this hope in your heart and to encourage you to be watchful of the times and to obey God's will no matter what the cost because our reward is with Him.

Preface

The book of Revelation opens with the words, "Blessed is he who reads and those who hear the words of the prophecy, and heed the things which are written in it..." (Rev. 1:3, NASB). However, two full chapters concerning the future have been largely misunderstood and characteristically ignored, namely the judgment of Babylon the Great as described in chapters 17 and 18 of Revelation.

This booklet is an end-times update and an extension to several previous books written by the author, which are listed below.

- *Babylon the Great: Day of Destruction, Edition One* is the main book, published June 5, 2016, comprising some 270 pages.
- *9/11 and 9/26: Days of Judgment, Edition One* is a smaller book for concentration on the date of Elul 23rd of 2016. This book was published on September 25, 2016.

- The author's book entitled, *October 18, 2016: Important or Not?*, published on October 17, 2016, reasoned that the Day of Destruction (D-o-D) for Babylon the Great may fall on the Hebrew anniversary of the fall of the original Babylon. Thankfully, it did not.
- Another recent book of the author, *Day of Destruction: Update 2016/2017*, published on November 18, 2016, cautioned that Day of Destruction may occur on Nov. 18, 2016 as it was the initial day of Noah's Flood. Again, the author was thankfully incorrect in that possibility.

If the reader has not yet obtained a copy of these previously written books, he is encouraged to do so. This booklet assumes the reader is familiar with the contents of these two earlier books.

The purpose of this booklet is that of another quick, but important, update. Mankind is again nearing another date that may have ominous overtones. For more on which date that might be and the reasons behind the educated guess, please continue reading, prayerfully and considerately.

The author solemnly states that the date and time of publication for *Babylon Eclipsed* by Michael Ross (pseudonym) with E.R.C. Communications is approximately:

Sept. 13, 2017 at 11 P.M., Washington, D.C. time

Sept. 14, 2017 at 6 A.M., Jerusalem time

Sept. 14, 2017 at 11 A.M., Manila / Hong Kong time

A handwritten signature in black ink that reads "Michael Ross". The script is cursive and fluid, with the first letters of "Michael" and "Ross" being capitalized and prominent.

Chapter 1

A Curtailed Synopsis of Babylon the Great

Babylon the Great is a subject about which very few Christians know anything and about which most priests and pastors try their very best to absolutely ignore. However, this important subject is the central theme of the previously written book of the author, *Babylon the Great: Day of Destruction, Edition One*. As such, this text will not explore all of the details of why the author has identified America as Babylon the Great.

The major Biblical section on Babylon the Great, Revelation 17:1 - 19:10 is provided within this text. Regardless of whatever the author may write in this booklet, it is what God inspired John to write about Babylon the Great which is the essential, Holy

Spirit-inspired prophecy that Christians should understand.

Then one of the seven angels who had the seven bowls came and spoke with me, saying, "Come here, I will show you the judgment of the great harlot who sits on many waters, with whom the kings of the earth committed acts of immorality, and those who dwell on the earth were made drunk with the wine of her immorality." And he carried me away in the Spirit into a wilderness; and I saw a woman sitting on a scarlet beast, full of blasphemous names, having seven heads and ten horns. The woman was clothed in purple and scarlet, and adorned with gold and precious stones and pearls, having in her hand a gold cup full of abominations and of the unclean things of her immorality, and on her forehead a name was written, a mystery, "Babylon the great, the mother of harlots and of the abominations of the earth." And I saw the woman drunk with the blood of the saints, and with the blood of the witnesses of Jesus.

When I saw her, I wondered greatly. And the angel said to me, "Why do you wonder? I will tell

you the mystery of the woman and of the beast that carries her, which has the seven heads and the ten horns. "The beast that you saw was, and is not, and is about to come up out of the abyss and go to destruction. And those who dwell on the earth, whose name has not been written in the book of life from the foundation of the world, will wonder when they see the beast, that he was and is not and will come. "Here is the mind which has wisdom. The seven heads are seven mountains on which the woman sits, and they are seven kings; five have fallen, one is, the other has not yet come; and when he comes, he must remain a little while. "The beast which was and is not, is himself also an eighth and is one of the seven, and he goes to destruction. "The ten horns which you saw are ten kings who have not yet received a kingdom, but they receive authority as kings with the beast for one hour.

"These have one purpose, and they give their power and authority to the beast. "These will wage war against the Lamb, and the Lamb will overcome them, because He is Lord of lords and

King of kings, and those who are with Him are the called and chosen and faithful." And he said to me, "The waters which you saw where the harlot sits, are peoples and multitudes and nations and tongues.

"And the ten horns which you saw, and the beast, these will hate the harlot and will make her desolate and naked, and will eat her flesh and will burn her up with fire. "For God has put it in their hearts to execute His purpose by having a common purpose, and by giving their kingdom to the beast, until the words of God will be fulfilled.

"The woman whom you saw is the great city, which reigns over the kings of the earth." After these things I saw another angel coming down from heaven, having great authority, and the earth was illumined with his glory. And he cried out with a mighty voice, saying, "Fallen, fallen is Babylon the great! She has become a dwelling place of demons and a prison of every unclean spirit, and a prison of every unclean and hateful bird. "For all the nations have drunk of the wine of the passion of her immorality, and the kings of the

earth have committed acts of immorality with her, and the merchants of the earth have become rich by the wealth of her sensuality."

I heard another voice from heaven, saying, "Come out of her, my people, so that you will not participate in her sins and receive of her plagues; for her sins have piled up as high as heaven, and God has remembered her iniquities. "Pay her back even as she has paid, and give back to her double according to her deeds; in the cup which she has mixed, mix twice as much for her. "To the degree that she glorified herself and lived sensuously, to the same degree give her torment and mourning; for she says in her heart, 'I sit as a queen and I am not a widow, and will never see mourning.'

"For this reason in one day her plagues will come, pestilence and mourning and famine, and she will be burned up with fire; for the Lord God who judges her is strong.

"And the kings of the earth, who committed acts of immorality and lived sensuously with her, will

weep and lament over her when they see the smoke of her burning, standing at a distance because of the fear of her torment, saying, 'Woe, woe, the great city, Babylon, the strong city! For in one hour your judgment has come.'

"And the merchants of the earth weep and mourn over her, because no one buys their cargoes any more -- cargoes of gold and silver and precious stones and pearls and fine linen and purple and silk and scarlet, and every kind of citron wood and every article of ivory and every article made from very costly wood and bronze and iron and marble, and cinnamon and spice and incense and perfume and frankincense and wine and olive oil and fine flour and wheat and cattle and sheep, and cargoes of horses and chariots and slaves and human lives. "The fruit you long for has gone from you, and all things that were luxurious and splendid have passed away from you and men will no longer find them.

"The merchants of these things, who became rich from her, will stand at a distance because of the fear of her torment, weeping and mourning,

saying, 'Woe, woe, the great city, she who was clothed in fine linen and purple and scarlet, and adorned with gold and precious stones and pearls; for in one hour such great wealth has been laid waste!' And every shipmaster and every passenger and sailor, and as many as make their living by the sea, stood at a distance, and were crying out as they saw the smoke of her burning, saying, 'What city is like the great city?' 'And they threw dust on their heads and were crying out, weeping and mourning, saying, 'Woe, woe, the great city, in which all who had ships at sea became rich by her wealth, for in one hour she has been laid waste!'

"Rejoice over her, O heaven, and you saints and apostles and prophets, because God has pronounced judgment for you against her." Then a strong angel took up a stone like a great millstone and threw it into the sea, saying, "So will Babylon, the great city, be thrown down with violence, and will not be found any longer. "And the sound of harpists and musicians and flute-players and trumpeters will not be heard in you

any longer; and no craftsman of any craft will be found in you any longer; and the sound of a mill will not be heard in you any longer; and the light of a lamp will not shine in you any longer; and the voice of the bridegroom and bride will not be heard in you any longer; for your merchants were the great men of the earth, because all the nations were deceived by your sorcery. "And in her was found the blood of prophets and of saints and of all who have been slain on the earth."

After these things I heard something like a loud voice of a great multitude in heaven, saying, "Hallelujah! Salvation and glory and power belong to our God; because His judgments are true and righteous; for He has judged the great harlot who was corrupting the earth with her immorality, and He has avenged the blood of His bond-servants on her."

And a second time they said, "Hallelujah! Her smoke rises up forever and ever." And the twenty-four elders and the four living creatures fell down and worshiped God who sits on the throne saying, "Amen. Hallelujah!" And a voice came

from the throne, saying, "Give praise to our God, all you His bond-servants, you who fear Him, the small and the great." Then I heard something like the voice of a great multitude and like the sound of many waters and like the sound of mighty peals of thunder, saying, "Hallelujah! For the Lord our God, the Almighty, reigns.

"Let us rejoice and be glad and give the glory to Him, for the marriage of the Lamb has come and His bride has made herself ready. It was given to her to clothe herself in fine linen, bright and clean; for the fine linen is the righteous acts of the saints. Then he said to me, "Write, 'Blessed are those who are invited to the marriage supper of the Lamb.'" And he said to me, "These are true words of God." Then I fell at his feet to worship him. But he said to me, "Do not do that; I am a fellow servant of yours and your brethren who hold the testimony of Jesus; worship God. For the testimony of Jesus is the spirit of prophecy." (Rev. 17:1 - 19:10, NASB)

The Lord God calls upon His people to "*come out of her.*" Notice that it is not simply advice; it is given in the form of a

command. When to come out of Babylon then becomes the question.

Chapter 2

The Wake of the Solar Eclipse

If America is indeed Babylon the Great of Revelation, what sign might the solar eclipse of August 2017 be yielding?

This booklet is meant as a brief overview of what may or may not proceed during the month of September in the year 2017. There are several things that highlight this month for its possible prophetic importance, but before attempting to discuss details, let the context of this discussion first become established.

The world is living in ignorance of a time that Christians refer to as the end times. The times in which the world finds itself are Biblical, prophetic, and nearing an end. *The end of what?*, some

might ask. The end of this present age. This is an age of darkness, greed, excessive immorality, systemic murders, blasphemy, and every form of self indulgence. This age is coming to an end, but it will not be a merciful end. The end comes with the Return of Jesus Christ, the Son of God, and judge of mankind. Before there is a so-called "rapture," Jesus must return and His return is to resurrect the dead, catch up the living saints to be with Him, and judge the world. To end this age of evil, Jesus must soon return.

September of 2017 is an ominous month for a number of reasons. They are listed below and then discussed in limited detail.

1. It is the final month of Elul in the Hebrew year of 5777 since the Creation of the world.
2. The month of Elul is connected with judgment, especially as it relates to America.
3. A solar eclipse of significant importance occurred recently.
4. Signs in the sun, the moon, and the stars are being evidenced.

5. The sign of Virgo within the heavens may have reflection upon chapter 12 of Revelation.
6. North America is being hit by wild fires, hurricanes, and a major earthquake all at once.
7. America has been attacked and threatened.
8. The American nation is divided politically, economically, and spiritually.
9. North Korea is conducting nuclear and ICBM tests, vowing to destroy America.
10. Elul 23rd, a date of ominous importance as studied in *Babylon the Great: Day of Destruction*, will be present tomorrow, September 14, 2017.

Hebrew Dates and Their Prophetic Implications

Authors and researchers such as Mark Biltz and Jonathan Cahn have proposed that God uses His own calendar. God can speak to us by allowing key events to happen on exact dates, such as the Hebrew date of the 9th of Av, a date connected to the destruction of the Temple in Jerusalem, destroyed on the same Hebrew date by both the Babylonians and the Romans, though

separated by over 600 years.

The calendar of the Old Testament is the calendar that God commanded His people to use. Do Christians use God's calendar? No. The calendar in use is that of Pope Gregory, the old Julian calendar, a derivation of Roman origin. But God's calendar is different. (For those of interest in it, the teaching of Mark Biltz and the website of *chabad.org* can be very instructive.)

Nonetheless, it is presently the Hebrew year of 5777. Being that seven is God's number and three is illustrative of the Trinity, "777" has special importance. This is the last month that humanity will ever be in a year ending in "777." The year 5777 is surely an important year. It is already the end of this month.

As this small booklet is being written, it is early in the morning in the Philippines on the Hebrew day of Elul 23rd. This date of Elul 23 is of special importance as it relates to America, the Babylon of Jeremiah and Revelation, Babylon the Great. For more information on the special importance of Elul 23 as it relates to the judgment of America, please see the author's previous book, *Babylon the Great: Day of Destruction*.

Signs in the Sun and Moon and Stars

The Bible indicates to us that signs of the heavens are important. One of the last signs of the judgment of Egypt was the sky going dark. When Jesus was born, God sent the star of Bethlehem. When Jesus died, the sun went dark. When Jesus comes back, the sun will be dark as sackcloth.

Recently, there has been a total eclipse of the sun, a solar eclipse, that stretched from the western coast to the eastern coast of the United States. At the exact time that the eclipse was visible from Washington, D.C. by the president, a deadly earthquake struck in Italy. Just a coincidence?

The earthquake struck the town of Casamicciola at 9 P.M., Italian time, on August 21, 2017, the day of the solar eclipse. The time of 9 P.M. in Italy corresponds to 3 P.M. in Washington, D.C. The sun went dark over Washington, D.C. at this time. The name of the town of this earthquake is significant. In the Italian language, "casa" means house. "Miccia" means fuse (as in a fuse of dynamite).

Could the name of this town be given a rough translation such as "house of dynamite?" Is America a house of dynamite whose

fuse is yet to be lit? Could America be Babylon the Great, a nation under the judgment of the Almighty?

On top of the solar eclipse, there have recently been solar flares of such magnitude that NASA announced that they are the strongest in over ten years.

Then to really top it off, there is the sign of Virgo with Jupiter about to come forth from the "womb of the virgin." Is this a sign relating to the beginning of the end times as spoken of in Revelation chapter 12?

It is the author's contention that the solar eclipse of August 2017 is quite possibly a sign from God that He is going to allow greater and greater judgments to occur to America. The time is short. Will anyone listen to Him?

Hurricanes, Wild Fires, and Earthquakes

If the August 2017 solar eclipse is, indeed, a sign of God speeding up the clock for the judgment of America, could we expect destructive events to follow it? Hurricane Harvey struck Texas (Houston, in particular) causing tens of billions of dollars in damage and the unlikely sight of Houston being turned into a

temporary lake. Hurricane Irma hit the coast of Florida only a week later, costing again tens of billions of dollars in damage and made Miami a place for the fish to swim.

While the hurricanes were doing their damage and taking lives via water, wild fires on the edge of Los Angeles did their damage via fire. Pictures of the inferno near Burbank showed a scene as if the fires of hell were about to engulf certain movie studios.

How obvious does God have to get? Hollywood complexes are within reach of wild fires while hurricanes of Harvey and Irma hit the areas in which the luxury estates of the president and the secretary of state are located, namely Florida and Texas, respectively. Fire and water, two of the most basic and primitive of nature's elements, are being used as destructive means to exact a warning to America, its culture, and its leaders.

When will the blasphemies end? When will homosexuality and gender identity politics be seen for what it really is -- sodomization of the culture? When will abortion be put to a stop? When will America ever repent? The answer is, unfortunately, never. If America truly is Babylon the Great, America will never truly repent.

What should a well informed Christian do? Leave. Save your life and leave. This is why the author is writing this text from the Philippines. He has left Babylon.

The next issue of destructive power is an earthquake, but this is no ordinary earthquake. Rather, this is an extraordinary earthquake. A magnitude 8.2 earthquake, the largest Mexico has experienced in a century, struck during this time following the wake of the solar eclipse.

On what day did this great and deadly earthquake strike? Well, it was on one of the days of Noah, Elul 17, some 6 days prior to Elul 23. In his book, *Babylon the Great: Day of Destruction*, the author explains the end-times significance to the days of Noah.

American under Attack

But why should anyone believe any of this nonsense? America is not Babylon the Great, right? America is the apple of God's eye, right? Well, can anyone explain how a multi-billion dollar, advanced guided missile destroyer, the USS John McCain, can be severely damaged on the same day as the solar eclipse, August, 21, 2017? Just a coincidence, right? Big oil tankers just can't be avoided, right? Sure. Keep believing that.

The North Korean Menace

The most significant of all the events both before and after the solar eclipse is that of North Korea. The leader of North Korea, Kim Jong Un, seems to want to provoke a fight with America.

Coincidence? No, remember the earthquake town's name -- "house of dynamite?" North Korea may be the fuse that will ignite the nuclear war which will culminate in the destruction of Babylon the Great. Too hyperbolic for you? Can't take it? Please read Revelation chapters 17 and 18. Can one really say that Babylon the Great will not be destroyed by fire in one hour?

Elul 23, September 14 for the year 2017

Most big events in our world are here for a reason. If this is the end times, expect North Korea to play its part. Elul 23, September 14th for this year, may be very important in some way. It is possible, though quite unlikely, that a limited nuclear war with North Korea may occur on this day (God forbid) or this month. As stated previously, early September is late Elul on the Jewish calendar. This is the end of the year 5777. What signal will God send to try to wake up mankind that he is living in the end times?

Chapter 3

The Sign in the Heavens of Virgo and the Dragon

One of the main reasons why this Elul 23rd may be of great significance is that it resides between two important events. Approximately two weeks prior to Elul 23rd was the solar eclipse that stretched across Babylon from “sea to shining sea.” The event on the other side of Elul 23rd, again approximately two weeks later, is the sign of Virgo.

The author does not pretend to be an expert on the sign of Virgo as it might relate to Revelation chapter 12. But it is instructive at this time to have a read of the Biblical passage that may well be connected to this heavenly sign, as given below.

“A great sign appeared in heaven: a woman clothed with the sun, and the moon under her feet, and on her head a crown of twelve stars; and she was with child; and she cried out, being in labor and in pain to give birth. Then another sign appeared in heaven: and behold, a great red dragon having seven heads and ten horns, and on his heads *were* seven diadems. And his tail swept away a third of the stars of heaven and threw them to the earth. And the dragon stood before the woman who was about to give birth, so that when she gave birth he might devour her child. And she gave birth to a son, a male *child*, who is to rule all the nations with a rod of iron; and her child was caught up to God and to His throne. Then the woman fled into the wilderness where she had a place prepared by God, so that there she would be nourished for one thousand two hundred and sixty days. And there was war in heaven, Michael and his angels waging war with the dragon. The dragon and his angels waged war, and they were not strong enough, and there was no longer a place found for them in heaven. And the great dragon was thrown down, the serpent of old who is called the devil and Satan, who deceives the whole world; he was thrown down to the earth, and his angels were thrown down with him. Then I heard a loud voice in heaven, saying, 'Now the salvation, and the power,

and the kingdom of our God and the authority of His Christ have come, for the accuser of our brethren has been thrown down, he who accuses them before our God day and night. And they overcame him because of the blood of the Lamb and because of the word of their testimony, and they did not love their life even when faced with death. For this reason, rejoice, O heavens and you who dwell in them. Woe to the earth and the sea, because the devil has come down to you, having great wrath, knowing that he has *only* a short time.' " (Rev. 12:1-12, NASB)

From the above passage, it seems that the Bible refers to a celestial sign of great significance. Now, although the Bible may not be referring to an actual sign in the stars, it may be. Recently, much attention has been paid to the idea that there may be a sign in the heavens in recent months that correlates well with what this Scripture is describing.

But what is this Scripture saying? It speaks of a woman. It speaks of 12 stars. It speaks of what is most likely the birth of Jesus, the one who will rule the nations with a rod of iron. If one can take the woman as Israel and the 12 stars as the 12 tribes of Israel, it is identifying a time in which the dragon (Satan) and the Beast will be at war with Israel and fight against it for no other

reason than the fact that Israel gave to us the Messiah, Jesus Christ. For this reason, Satan has always hated the Jews and wished for their destruction.

But what is interesting is that the text speaks of a war in heaven. Much of what happens on earth is already dictated by that which goes on in heaven. Satan apparently gets “kicked out” of heaven and this precipitates end-times events, which is why the Bible says, *“Woe to the earth and the sea, because the devil has come down to you, having great wrath, knowing that he has only a short time.”*

Satan is many things, but he is not dumb. He knows when the end times are here and when he has a small window of opportunity to inflict much damage onto the earth (spiritually and physically). This September may be the beginning of this time. Why? Well, this September marks the culmination of the celestial sign in the heavens with Virgo, Jupiter, and Mars that correlates very well with what the Bible seems to talk about.

Pastor Steve Cioccolanti of Discovery Ministries has made a YouTube video that is one of the best presentations out there on the Virgo sign and its possible significance. The video may be accessed on the Internet at:

<https://www.youtube.com/watch?v=XA6JcY-ikec>.

A brief synopsis of his presentation follows below.

- The sign of constellation Virgo (the virgin) with 12 stars at her head and the moon at her feet and about to “give birth” has not occurred since around the time of the Creation, approximately 5900 years ago.
- Jupiter, the king planet (a symbol of the Supreme Deity), entered the constellation Virgo at the end of November, 2016. This can be taken as a symbol of conception, the completion of which would be 9 months later. (Is it not interesting that the solar eclipse of America occurred at the end of August which is 9 months later?)
- Many commentators, including possibly Pastor Cioccolanti, seem to think that this Virgo sign is a possible indication of the soon “rapture” of the Church. If one would read the other books of the present author, one would understand that the author does not believe in the “pre-tribulation rapture.” What this sign may be indicating is the beginning of large-scale world troubles. The Scriptural text speaks of the devil losing his position in heaven, getting thrown down to the earth, knowing he has a very short time before his ultimate judgment at the Second Coming of our Lord and Savior, Jesus Christ.

- Jupiter does tend to pass through the constellation Virgo on a yearly basis. What makes this year so special, among other things, is that it stays in the vicinity of the “womb” of Virgo for some 9 to 10 months. It is this which makes 2017 so special.
- Pastor Cioccolanti speculates that the “dragon” may be represented celestially by the so-called Planet X or Nibiru. (This seems to be pure speculation with dubious merit, but due to the Internet sensation on the subject of Nibiru, it is mentioned here).
- It is also noted by the pastor that the Virgo sign is a sign of birth. Birth is accompanied with much pain. It is quite possibly a way of indicating that the world is entering a time of great pain prior to the Coming of Jesus.
- September 23, 2017 is highlighted as it is the day when Jupiter is seen to leave the “womb” of the constellation Virgo.

What does all this mean? What it means is that God is up to something. It is He who rules the earth, the skies, and the heavens. It is He who placed all of this in motion.

What should be noted is that a major solar eclipse traversed America at the end of August. The Virgo sign comes to completion at the end of September. In between is Elul 23rd. With recent disasters and North Korean tensions, what is next?

Chapter 4

Thoughts about the Day of Destruction

It should go without saying that no one in their right mind should ever look forward to 1/3 of the earth becoming destroyed by fire. There are many good Americans and Russians living within their respective countries that do not deserve to die, should not die, but will die. My parents and sister are included among them.

What should a Christian do? Should a Christian ignore the warnings that America is Babylon the Great and that they should flee? The author's opinion is an emphatic *NO!* Christians throughout the world should understand that they are living in the end times, there is no pre-Tribulation “rapture” escape mechanism, and times are going to get tough.

Will September 14, 2017 (Elul 23rd), lead to something terrible? No one knows. But if it does, there were many, many signs that have already marked it out.

Above is an image of a document notarized in Valencia City, Philippines on 2/26/2016. The Day of Destruction is considered for June 7 or 23, Aug. 5, or Sep. 13, 20, or 26 of 2016.

February 25, 2016

This document, notarized in Cagayan de Oro, Misamis Oriental province, Philippines, is meant to establish that as of the 25th of February, 2016, [REDACTED] using the pseudonym of Michael Ross, believes that:

1. America is Bsyblon the Great which is described in chapters 17 and 18 of the book of Revelation in the Bible.
2. America and Russia will soon be destroyed in a nuclear war.
3. Possible Hebrew dates for this "day of destruction" for the year 2016 are Sivan 1st (June 7, 2016), Sivan 17th (June 23, 2016), Av 1st (Aug. 5, 2016), Elul 10th (Sept. 13, 2016), Elul 17th (Sept. 20, 2016), and Elul 23rd (Sept. 26, 2016).
4. The above prediction is a hypothetical, educated guess based on eschatological research and analysis of the modern-day parallels with ancient history.
5. The above information has not been provided to me by any person or organization. It is a personal belief.

Sincerely,

[REDACTED]

This book will answer: Are we really living in the last generation before the Return of Christ? Is America fulfilling the prophecies about Babylon the Great? Can the Hebrew calendar provide more insight into dating possibilities for the predicted Day of Destruction?

9/11 and 9/26: Days of Judgment, Edition One is a smaller book for concentration on the date of Elul 23rd of 2016. This book was published on Sept. 25, 2016.

This book highlights the date of September 14, 2017 and explains ...

- 1.** America is Babylon the Great as recorded in the book of Revelation.
- 2.** God will soon punish America with the worst judgment since Noah's Flood.
- 3.** September 14, 2017 has many of the signs that could suggest the onset of judgment on America.

The author, Michael Ross, also lovingly called ***Babylon Man***, has studied the prophetic Scriptures for over 30 years.

After authoring multiple international articles in the engineering sciences, he now turns his attention to something of greater importance, the coming judgment of America, with a focus on the date of September 14, 2017, the Hebrew date of Elul 23rd in the year of 5777.
