## *About the Author*

Firstly, I am a Christian and the author of a previous book entitled, *Babylon the Great: Day of Destruction, Edition One*, published on June 5, 2016. For more information about my education and personal life, please see the About the Author section of the previously written book cited above.

For authorship purposes, I use two pseudonyms for communicating to the public at large. The first is Babylon Man. I use that annotation since it is easy for people to remember, and I have a YouTube channel which uses that name. The other name that I use -- when a more normal name seems to be required -- is Michael Ross.

I now live in the Philippines and have started a small entity called E.R.C. Communications. The E.R.C. stands for Eschatology Research Council. As the name suggests, the mission of E.R.C. Communications is to communicate the eschatological research that I and others have done in a way that is accessible to the public and to provide the public, particularly

Christians, with good council on end-times affairs.

As a man who has studied the Word of God for over 30 years, it is my personal belief that the Bible is the most fascinating book on the planet. It is unquestionably accurate, God-inspired, and contains the Truth of salvation. Its prophecies in the past have all come true and is a great testimony to the faithfulness of God. As someone with an extreme love for the Bible, end-times prophecy has been my passion and fascination. I wish to excite other Christians about what I have found in the Word of God and to warn them of what I understand to be true concerning America's future.

Biblical prophecy is met with skepticism and doubt. People often become alarmed with prophetic discussion, and this is unfortunate. Although it is not my intent to alarm, how can one warn Christians without raising the alarm? Instead, the glorious return of our Lord is a promise that should give Christians much hope. It is my wish to excite this hope in your heart and to encourage you to be watchful of the times and to obey God's will no matter what the cost because our reward is with Him.

# *Preface*

The book of Revelation opens with the words, "Blessed is he who reads and those who hear the words of the prophecy, and heed the things which are written in it..." (Rev. 1:3, NASB). However, two full chapters concerning the future have been largely misunderstood and characteristically ignored, namely the judgment of Babylon the Great as described in chapters 17 and 18 of Revelation.

This book is meant as an extension to and a companion book of my previous book entitled, *Babylon the Great: Day of Destruction, Edition One*. If the reader has not yet obtained a copy of my previously written book, he is encouraged to do so. This book will assume the reader is familiar with its contents.

The purpose of this book is to provide the reader with updated information and new clues as to when Babylon the Great will suffer its Day of Destruction. In the previous book, although September 26, 2016 was mentioned, I focused attention on June of 2016 as that could have been the date of judgment. Thankfully, there has been some more time, but as the title of

this book implies, it now seems to the author that there is much evidence to suggest that this coming Elul 23<sup>rd</sup> or September 26<sup>th</sup> of the year 2016 may witness this terrible and tragic event.

In particular, I write this book with much sadness because I have not been able to convince any of my family members to leave the United States. Very few, if any, have taken to heart my warnings.

This book will explore some of the more major clues that show that judgment is not only nearing for America but that Elul 23<sup>rd</sup> of 2016 is the most prominent date for heightened concern.

The author solemnly states that the date and time of publication for *9/11 and 9/26: Days of Judgment, Edition One* by Michael Ross (pseudonym) with E.R.C. Communications is approximately:

Sept. 25, 2016 at 8 P.M., Washington, D.C. time

Sept. 26, 2016 at 3 A.M., Jerusalem time

Sept. 26, 2016 at 8 A.M., Manila / Hong Kong time

## *A Curtailed Synopsis of Babylon the Great*

**B**abylon the Great is a subject about which very few Christians know anything and about which most priests and pastors try their very best to absolutely ignore. However, this important subject is the central theme of the previously written book of the author, *Babylon the Great: Day of Destruction, Edition One*. As such, this text will not explore all of the details of why the author has identified America as Babylon the Great. It is assumed that the reader has read this previously written book. Nonetheless, to not provide even a small amount of background information on this important subject would not be appropriate.

Babylon the Great is a prophetic entity that exists in our times. It is mysterious; it goes by a different name. God chose the name “Babylon” because of its spiritual, economic, cultural, and militaristic similarities with another superpower, America.

The major section on Babylon the Great, Revelation 17:1 - 19:10 will now be provided within this text. Whatever the author may write in this text, what God inspired John to write about Babylon the Great is the essential, Holy Spirit-inspired prophecy that all Christians should know.

Then one of the seven angels who had the seven bowls came and spoke with me, saying, "Come here, I will show you the judgment of the great harlot who sits on many waters, with whom the kings of the earth committed acts of immorality, and those who dwell on the earth were made drunk with the wine of her immorality." And he carried me away in the Spirit into a wilderness; and I saw a woman sitting on a scarlet beast, full of blasphemous names, having seven heads and ten horns. The woman was clothed in purple and scarlet, and adorned with gold and precious stones and pearls, having in her hand a gold cup full of abominations and of the unclean things of her immorality, and on her forehead a name was written, a mystery, "Babylon the great, the mother of harlots and of the abominations of the earth." And I saw the woman drunk with the blood of the saints, and with the blood of the

witnesses of Jesus.

When I saw her, I wondered greatly. And the angel said to me, "Why do you wonder? I will tell you the mystery of the woman and of the beast that carries her, which has the seven heads and the ten horns. "The beast that you saw was, and is not, and is about to come up out of the abyss and go to destruction. And those who dwell on the earth, whose name has not been written in the book of life from the foundation of the world, will wonder when they see the beast, that he was and is not and will come. "Here is the mind which has wisdom. The seven heads are seven mountains on which the woman sits, and they are seven kings; five have fallen, one is, the other has not yet come; and when he comes, he must remain a little while. "The beast which was and is not, is himself also an eighth and is one of the seven, and he goes to destruction. "The ten horns which you saw are ten kings who have not yet received a kingdom, but they receive authority as kings with the beast for one hour.

"These have one purpose, and they give their power

and authority to the beast. "These will wage war against the Lamb, and the Lamb will overcome them, because He is Lord of lords and King of kings, and those who are with Him are the called and chosen and faithful." And he said to me, "The waters which you saw where the harlot sits, are peoples and multitudes and nations and tongues.

"And the ten horns which you saw, and the beast, these will hate the harlot and will make her desolate and naked, and will eat her flesh and will burn her up with fire. "For God has put it in their hearts to execute His purpose by having a common purpose, and by giving their kingdom to the beast, until the words of God will be fulfilled.

"The woman whom you saw is the great city, which reigns over the kings of the earth." After these things I saw another angel coming down from heaven, having great authority, and the earth was illumined with his glory. And he cried out with a mighty voice, saying, "Fallen, fallen is Babylon the great! She has become a dwelling place of demons and a prison of every unclean spirit, and a prison of

every unclean and hateful bird. "For all the nations have drunk of the wine of the passion of her immorality, and the kings of the earth have committed acts of immorality with her, and the merchants of the earth have become rich by the wealth of her sensuality."

I heard another voice from heaven, saying, "Come out of her, my people, so that you will not participate in her sins and receive of her plagues; for her sins have piled up as high as heaven, and God has remembered her iniquities. "Pay her back even as she has paid, and give back to her double according to her deeds; in the cup which she has mixed, mix twice as much for her. "To the degree that she glorified herself and lived sensuously, to the same degree give her torment and mourning; for she says in her heart, 'I sit as a queen and I am not a widow, and will never see mourning.'

"For this reason in one day her plagues will come, pestilence and mourning and famine, and she will be burned up with fire; for the Lord God who judges her is strong.

"And the kings of the earth, who committed acts of immorality and lived sensuously with her, will weep and lament over her when they see the smoke of her burning, standing at a distance because of the fear of her torment, saying, 'Woe, woe, the great city, Babylon, the strong city! For in one hour your judgment has come.'

"And the merchants of the earth weep and mourn over her, because no one buys their cargoes any more -- cargoes of gold and silver and precious stones and pearls and fine linen and purple and silk and scarlet, and every kind of citron wood and every article of ivory and every article made from very costly wood and bronze and iron and marble, and cinnamon and spice and incense and perfume and frankincense and wine and olive oil and fine flour and wheat and cattle and sheep, and cargoes of horses and chariots and slaves and human lives. "The fruit you long for has gone from you, and all things that were luxurious and splendid have passed away from you and men will no longer find them.

"The merchants of these things, who became rich

from her, will stand at a distance because of the fear of her torment, weeping and mourning, saying, 'Woe, woe, the great city, she who was clothed in fine linen and purple and scarlet, and adorned with gold and precious stones and pearls; for in one hour such great wealth has been laid waste!' And every shipmaster and every passenger and sailor, and as many as make their living by the sea, stood at a distance, and were crying out as they saw the smoke of her burning, saying, 'What city is like the great city?' "And they threw dust on their heads and were crying out, weeping and mourning, saying, 'Woe, woe, the great city, in which all who had ships at sea became rich by her wealth, for in one hour she has been laid waste!'

"Rejoice over her, O heaven, and you saints and apostles and prophets, because God has pronounced judgment for you against her." Then a strong angel took up a stone like a great millstone and threw it into the sea, saying, "So will Babylon, the great city, be thrown down with violence, and will not be found any longer. "And the sound of

harpists and musicians and flute-players and trumpeters will not be heard in you any longer; and no craftsman of any craft will be found in you any longer; and the sound of a mill will not be heard in you any longer; and the light of a lamp will not shine in you any longer; and the voice of the bridegroom and bride will not be heard in you any longer; for your merchants were the great men of the earth, because all the nations were deceived by your sorcery. "And in her was found the blood of prophets and of saints and of all who have been slain on the earth."

After these things I heard something like a loud voice of a great multitude in heaven, saying, "Hallelujah! Salvation and glory and power belong to our God; because His judgments are true and righteous; for He has judged the great harlot who was corrupting the earth with her immorality, and He has avenged the blood of His bond-servants on her."

And a second time they said, "Hallelujah! Her smoke rises up forever and ever." And the twenty-four

elders and the four living creatures fell down and worshiped God who sits on the throne saying, "Amen. Hallelujah!" And a voice came from the throne, saying, "Give praise to our God, all you His bond-servants, you who fear Him, the small and the great." Then I heard something like the voice of a great multitude and like the sound of many waters and like the sound of mighty peals of thunder, saying, "Hallelujah! For the Lord our God, the Almighty, reigns.

"Let us rejoice and be glad and give the glory to Him, for the marriage of the Lamb has come and His bride has made herself ready. It was given to her to clothe herself in fine linen, bright and clean; for the fine linen is the righteous acts of the saints. Then he said to me, "Write, 'Blessed are those who are invited to the marriage supper of the Lamb.'" And he said to me, "These are true words of God." Then I fell at his feet to worship him. But he said to me, "Do not do that; I am a fellow servant of yours and your brethren who hold the testimony of Jesus; worship God. For the testimony of Jesus is the spirit of

prophecy." (Rev. 17:1 - 19:10, NASB)

Now, the reader should understand that Babylon the Great is destined to be thrust down and even destroyed. There is nothing that anyone can do about it. Prophecy is simply history that has yet to come to pass. The only thing that Christians can do is to leave it. The Lord God calls upon His people to "*come out of her.*" Notice that it is not simply advice; it is given in the form of a command.

When to come out of Babylon then becomes the question. This text cannot get into the details of why America is Babylon. But assuming that it is, what clues might there be that would indicate that the destruction of Babylon will come quickly? What evidence is there that might suggest that the world is heading toward a Day of Destruction that is so terrible that it is the worst judgment since Noah's Flood?

The previously written book goes into many of these details. Some will be re-examined, some neglected, and some new insight will be added to the full list. This is the subject of the next chapter.

## *Chapter 2*

### *Clues for the Proximity of the Day of Destruction*

If one must leave Babylon, how soon is this Day of Destruction (D-o-D) going to happen? As improbable as it may seem, God has laid down clues, hints, or evidences for this D-o-D before it has been brought to bear. This is the biggest judgment of God since Noah's Flood. Indeed, the Bible indicates that one-third of the world will burn. When Babylon the Great is no more, the world will be reeling. It will be a different place.

And the seven angels who had the seven trumpets prepared themselves to sound them. The first sounded, and there came hail and fire, mixed with blood, and they were thrown to the earth; and a third of the earth was burned up, and a third of the trees were burned up, and all the green grass was burned

up. The second angel sounded, and something like a great mountain burning with fire was thrown into the sea; and a third of the sea became blood, and a third of the creatures which were in the sea and had life, died; and a third of the ships were destroyed. The third angel sounded, and a great star fell from heaven, burning like a torch, and it fell on a third of the rivers and on the springs of waters. The name of the star is called Wormwood; and a third of the waters became wormwood, and many men died from the waters, because they were made bitter. The fourth angel sounded, and a third of the sun and a third of the moon and a third of the stars were struck, so that a third of them would be darkened and the day would not shine for a third of it, and the night in the same way. Then I looked, and I heard an eagle flying in midheaven, saying with a loud voice, "Woe, woe, woe to those who dwell on the earth, because of the remaining blasts of the trumpet of the three angels who are about to sound!" (Rev. 8:6-13, NASB)

Should it surprise anyone to assume that such a great judgment will be preceded by subtle yet tangible clues of its approach?

Prior to the Lord's birth in Bethlehem, God sent a star to guide the wisemen toward the cradle of the Messiah. If we are wise, we will be willing to watch for and to expect the God of signs and wonders to provide clues of the sovereignty of His dominion over mankind.

The following are believed by the author to be of significance for the coming Day of Destruction. (By the way, the Babylon book written previously by the author explains that Day of Destruction is most likely to be a nuclear attack initiated by Russia on the United States. This attack will culminate in one third of the earth becoming destroyed.) At any rate, the clues are divided into segments. The first segment of clues provide substantiation for the idea that Day of Destruction will likely come within the next decade or so. The second segment is associated with Day of Destruction coming by the end of 2016 and possibly on exactly the day of 23 Elul 5776, which is September 26, 2016.

### **Clues for Day of Destruction Coming within a Decade**

#### *1. The rebuilding of ancient Babylon.*

The site of the city of ancient Babylon is currently being rebuilt in Iraq by the World Monuments Fund and by funding

partially supplied by the United States. This is of interest since ancient Babylon was never to be rebuilt.

Behold, I am going to stir up the Medes against them, who will not value silver or take pleasure in gold. And their bows will mow down the young men, they will not even have compassion on the fruit of the womb, nor will their eye pity children. And Babylon, the beauty of kingdoms, the glory of the Chaldeans' pride, Will be as when God overthrew Sodom and Gomorrah. It will never be inhabited or lived in from generation to generation; nor will the Arab pitch his tent there, nor will shepherds make their flocks lie down there. But desert creatures will lie down there, and their houses will be full of owls; ostriches also will live there, and shaggy goats will frolic there. Hyenas will howl in their fortified towers and jackals in their luxurious palaces. Her fateful time also will soon come and her days will not be prolonged.

(Isa. 13:17-22, NASB)

It should be noted that both Alexander the Great and Saddam Hussein of Iraq tried to rebuild Babylon. Both were stopped and

did not live long after the attempt to rebuild it. This is the effect of trying to invalidate God's prophecy, whether the person is aware of his actions or not. Pres. Obama of the United States has been partially funding the rebuilding of Babylon since 2009. The project is already impressive with much of the ancient structures being rebuilt. Knowing the pattern of history and of God protecting the integrity of His word, it is certain that this project to rebuild Babylon will end in failure and must soon be stopped. If D-o-D would occur quickly, within a few years, this project would indeed be stopped.

## *2. We are the end-times generation.*

Upon reading my previously written Babylon book, the reader would understand that a Biblical generation is likely to be somewhere in the range of 86 to 100 years. If the end-times prophecies began to be fulfilled in 1945 or so, it would indicate that Christ should come back before the midpoint of the twenty first century. Why? Well, Christ said the following with regards how quickly the prophecies would become fulfilled.

Now learn the parable from the fig tree: when its branch has already become tender and puts forth its leaves, you know that summer is near; so, you too,

when you see all these things, recognize that He is near, right at the door. Truly I say to you, this generation will not pass away until all these things take place. (Matt. 24:32-34, NASB)

*3. Turkey versus Russia, an historical parallel with Lydia versus Persia.*

Much of the author's research examines the parallels between ancient history and the modern situation. Before Cyrus the Great attacked and defeated Babylon, he was provoked into attacking the Kingdom of Lydia, an ally of the king of Babylon. He defeated the Lydians and then went on to attack Babylon.

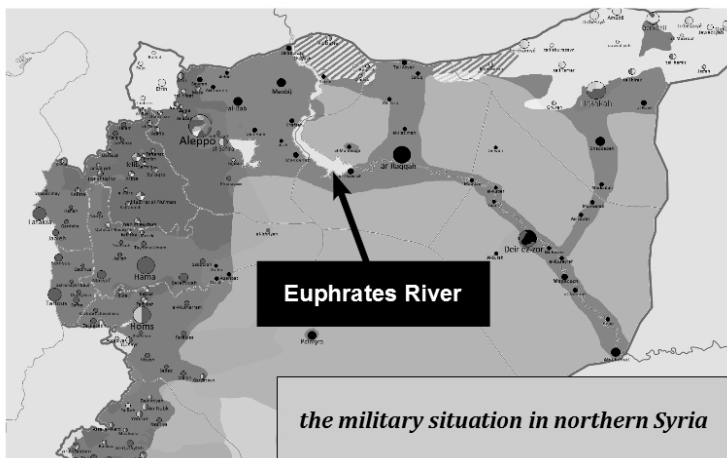

In the modern scenario, Russia takes on the role of Persia. The Persian was a vast empire which was originally allied with the Babylonians, helping them to defeat the Assyrians. The Persian Empire then turned on its former ally and crushed it. Likewise, Russia is a very large nation and was a former ally of the United States, greatly helping the U.S.A. to defeat Nazi Germany. However, it then became an enemy to the United States and is now a real threat to the survival of it.

The situation with Turkey having recently invaded Syria is very

interesting. Is this the provocation whose historical parallel is that of the king of Lydia invading a province of Persia? The author believes that the Turks will continue to press the Russians until the Russians are forced to respond. The Russians will attack the Turkish army and precipitate the coming D-o-D.

#### *4. ISIS on the Euphrates River.*

The image below shows a map of northern Syria, the Euphrates River running down from the border of Turkey in the north, and flowing along the areas currently controlled by ISIS (Islamic State, shown in medium gray). It should be noted that ISIS is exactly along the Euphrates River. It is not just close to it; it is on it.

This is of particular importance for a student of Biblical prophecy because of what is said in Revelation chapter 9.

Then the sixth angel sounded, and I heard a voice from the four horns of the golden altar which is before God, one saying to the sixth angel who had the trumpet, "Release the four angels who are bound at the great river Euphrates." And the four angels, who had been prepared for the hour and day and month and year, were released, so that they would kill a third of mankind. (Rev. 9:13-15, NASB)

Is it possible that ISIS is a result of angels (demons?) being released from the great river Euphrates? It is not only possible; it is probable. What is happening now on the banks of the Euphrates will likely spill over into the full fury of the D-o-D.

##### *5. The moral blasphemies of both Israel and America.*

Both Israel and America have legalized abortion (with more restrictions in Israel). America, in particular, was rocked by a baby-body-parts scandal in the autumn of 2015. In this scandal, it was said that Planned Parenthood (a well known abortion provider in the United States) was selling the body parts of

aborted babies for supposedly scientific purposes. Can a nation fall so far into utter depravity? Can God continue to be silent?

In addition, both America and Israel have recently promoted the homosexual lifestyle. Homosexuality is the popular trend.

These combined sins (abominations) cannot be tolerated by God. Do we really expect the Lord Jesus Christ to come back to the Mount of Olives in His glorious return to earth to an Israel entirely polluted with homosexuality? Of course not! Israel must be brought to repentance. The only good thing about D-o-D is that God will shake the earth so firmly, so completely, that it will bring the Jews to repent of their recent foray into debilitating spiritual sins.

### **Clues for Day of Destruction Coming within Days or Months.**

*1. It has been 7 x 7 x 7 years since the last defeat of New York by the hands of a foreign power.*

New York is a symbol of American power and authority. In 1673, New York was attacked and conquered by the Dutch. This means that in 1673, New York, the symbol of America, was conquered by a foreign power. If America is attacked in 2016, is there any significance to that?

The year 1673 was 343 years ago. The number 343 is exactly the product of  $7 \times 7 \times 7$ . God's number! The significance of this sign is that the odds of this occurring by only random chance is only 1 in 1000.

## *2. The Great Earthquake of 1727.*

There were a number of earthquakes recorded by the early Americans (English colonists) along the eastern coast of America in the 1700's. Of these, the first one which caused serious damage and was estimated to be a magnitude 7 earthquake by the U.S. Geological Survey (referenced at [http://earthquake.usgs.gov/earthquakes/states/events/1727\\_11\\_10.php](http://earthquake.usgs.gov/earthquakes/states/events/1727_11_10.php)) was termed the Great Earthquake of 1727 by Rev. Nathaniel Gookin, a preacher in the town of Hampton, New Hampshire.

The main reason why this stands out is the year. 1727 is 289 years prior to 2016. The number 1727 is exactly  $17 \times 17$ .

It should be understood that the Great Earthquake of 1727 was the first major earthquake that the English colonists in the American colonies ever witnessed. Could 289 years be the interval of time between the first and the last great catastrophe to strike America?

### *3. The Blood Moons Time Span.*

Four “Blood Moons” are four lunar eclipses that fall only on the holy feast days of the Old Testament (see the author’s previous Babylon book for more explanation). This sequence of four blood moons is called a Holy Tetrad.

Analyzing the research of Mark Biltz, it is found that in the last 1000 years, something of major importance happens to the Jews within two years from the midpoint of the Holy Tetrad. That is, plus or minus two years from the midpoint of the four blood moons, an important event has always happened to the Jewish people in the last 1000 years.

In last 1000 years there have been only four Holy Tetrads. Each span of time is four years (2 + 2). This yields sixteen years in total. The chances of any year having being in this span of time is  $16/1000 = 1.6\%$ .

The year 2016 is such a year. The current Holy Tetrad of 2014-2015 has a midpoint in January, 2015. For this pattern of important Jewish-centered events to hold, it should be expected that something “big” will happen to the Jews prior to the end of 2016.

D-o-D would certainly fit that category.

#### *4. The Jubilee Year of 5776 + Election Year + Blood Moons*

Until Oct. 2, 2016, it is the Hebrew year 5776. This year of 5776 is a Jubilee year (occurs every 49 years). Special Hebrew years either occur every seven years (termed a Shemitah) or every 49 years (a Jubilee). Out of every 100 years, there are 14 Shemitah's and 2 Jubilee years. As such, there are 16 special Hebrew years every 100 years. The chances of a year being “special” is 16%.

It has already been said that for any year to be within the blood moons time span of significance is a chance of about 1.6%. Keep that in mind for now.

Additionally, it is a presidential election year. This is of prophetic significance if God is getting ready to judge America. - This year is also special because it is a year of decision.

In their acceptance speeches for their party's presidential nomination in nationally televised conventions, neither Hillary nor Trump mentioned “God”, “Bible”, or “Christianity.” However, both spoke of supporting homosexuals. In fact, Trump said “LGBTQ” twice. “Christianity” not once. Does it portend well for America when neither presidential candidate supports Christian values or God? What happens to a nation when mentioning homosexuality is not consider a humiliation but mentioning God is somehow too embarrassing?

Why would an election year be Babylon's last year? It is God giving America one last chance to voice any change towards Him. Unfortunately, America did not.

The chances of it being a presidential election year in America is a one in four or a 25% chance.

Putting these factors together is very interesting. This year, until October 2, 2016, multiple things of importance come together. Each of them can be seen as potentially significant for the prophecy of America being judged as Babylon the Great.

(a) September 2015 is within the +/- blood moons time span from the midpoint of the Holy Tetrad: a 1.6% chance.

(b) It is a Jubilee year. Special Hebrew years have a 16% chance.

(c) It is a presidential election year: a 25% chance.

The overall chance that a year has characteristics of *a*, *b*, and *c* would be calculated as  $(0.016)(0.16)(0.25) = 0.00064$ .

This is a 1 in 1600 chance of being purely random in nature. That means that -- statistically speaking -- this year until Oct. 2, 2016 is something of real significance. If one thinks of D-o-D being around the corner, that would make sense.

5. *Seventy Years for the Hegemony of America is Ended.*

Ancient Babylon was given 70 years to be the hegemonic power. See Jeremiah 25:8-13. After that, its hegemony would be taken away, and it would fall.

In 609 B.C., Nebuchadnezzar killed the last Assyrian king and the hegemony of Babylon was established. In 539 B.C., some 70 years later, Babylon was overtaken suddenly by Cyrus the Great.

The historical parallel is that in September, 1945, America received the formal unconditional surrender of the Japanese Emperor. After 1945, America enjoyed world hegemony. Generally speaking, nations did what America said.

In September, 2015, America lost its hegemony. Why? The seventy years were completed. Think of China not listening to America on the South China Sea dispute, Iran not respecting the Iranian nuclear deal, Russia ignoring American requests regarding Syria, North Korea openly challenging America with nuclear weapon tests, and even Philippines, an ally, openly mocking its greatest supporter. Has America ever been so powerless? America's role as the world hegemonic power is not only being openly challenged, it is being reversed.

This is exactly what one would expect to see directly before the actual judgment with D-o-D.

6. *The Incredible Significance of Elul 23<sup>rd</sup> for America.*

The Japanese surrendered on Sept. 2, 1945 at 9:00 AM, Tokyo Bay. This was Sept. 1, 1945, 8:00 PM in Washington, D.C. Sept. 1, 1945 was Elul 23 for that year. This was on a special Hebrew year, a Shemitah year.

The 9/11 attacks on Sept. 11, 2001 in New York was on Elul 23. Elul 23 of 2001 was also a Shemitah year. In fact, it was exactly eight cycle of seven-year Shemitah's since the Japanese surrender date. That is, 9/11 happened  $8 \times 7 = 56$  years later.

9/11 was the first of a series of judgments. God was warning. Seven year later, another special Hebrew year of another Shemitah, in September of 2008, America had its worst financial crash since the Great Depression. The height of this period was the last two weeks of September, 2008. The midpoint of the last two weeks of September was Sept. 23. For the year 2008, Sept. 23 was actually Elul 23.

This would be America's last obvious warning. The next judgment was more concealed. God is getting ready to pounce (Jere. 51:25-26). The next Elul 23 on a special Hebrew year was seven years later on Sept. 7, 2015. No one noticed the significance. The Russians began to militarize Syria on Sept. 7, 2015. America told its allies (Bulgaria, Greece, Iraq) to deny air space rights. Unexpectedly, this went ignored. By the end of

September, Russia was bombing in Syria.

Russia has Middle East hegemony now. Russian S-400 system in Syria covers air space from Jerusalem to southern Turkey. Sept. 7, 2015 (23<sup>rd</sup> of Elul) changed everything in Middle East. America now asks Russia where it can bomb.

All of this is building towards the Ezekiel invasion (see Ezekiel chapters 38 and 39). The question is which comes first, the chicken or the egg? Is it that America is struck first, then the Ezekiel invasion? Or does the invasion happen, causing America to be struck? The answer is to understand that the destruction of Babylon the Great is premeditated murder (Rev. 17:15-18).

Now, let us consider the next special Elul date: Sept. 26, 2016 (23<sup>rd</sup> of Elul). This date has the following characteristics.

- The last Elul 23 on a special Hebrew date for next 6 years.
- The last Elul 23 on a Jubilee year for next 49 years.
- The last Elul 23 within the “Blood Moons” time span for next 100 years.
- The last “day of Noah” on the last Jubilee year before Christ comes back.
- The last Elul 23 for the presidency of Barack Obama.

The chances on this Elul 23<sup>rd</sup> phenomenon is off the charts. Sept. 1, 1945 was the first Elul 23. This got the ball rolling.

Sept. 11, 2001 then occurred on an Elul 23<sup>rd</sup>. To occur on Elul 23 is 1 chance in 355 (since the typical Hebrew year is 355 days). To occur on Elul 23 of a special Hebrew year is only a 16% chance. The overall chance of 9/11 occurring, therefore, on an Elul 23<sup>rd</sup> on a special Hebrew year -- the same as the Hebrew date of the Japanese surrender -- is 1 in 2100.

The month of Elul coincided with the financial crisis of September, 2008. For the financial crisis to occur during month of Elul on a special Hebrew year is one chance in 13 (this year was a “leap” year for the Hebrew calendar, adding one month to the year). Of course, there is the 16% chance for the special Hebrew year (it was a Shemitah year). As such, the overall chance, of the midpoint of the financial crisis happening on a special month of Elul was 1 in 80.

Sept. 7, 2015 marked the initial militarization of Syria by Russia. This occurred on a special Hebrew year (Shemitah) with the accompanying 16% chance. Also, it was on the exact day of Elul 23: 1 chance in 355. The overall chance of this occurring is 1 in 2100.

Elul 23 of 2016 will be neglected in this analysis as this date has

not happened yet.

At any rate, that a pattern of Elul 23's is connected to important events that affect America should now be obvious. But what are the statistical chances of all this (from a rudimentary statistical analysis)?

The overall chances of the Elul 23rd phenomenon being purely by accident (random coincidence) is one in  $(2100)(80)(2100)$  or 1 in 350 million. You can take that to the bank! It's real!

*7. The Connection between 9/11, Homosexual Marriage, and Elul 23 of 2016.*

At this point, it is understood that Sept. 11, 2001 was also Elul 23. This was the date of the 9/11 attacks.

It may seem odd, but there is a mathematical connection between the 9/11 attacks, the date on which homosexual marriage was legalized by the United States Supreme Court, and the date of the upcoming Elul 23. But this should not be surprising. If God used the 9/11 attacks as a wake up call for repentance, then the United States legalizing homosexual marriage was the U.S.A. putting a pillow over its head and not heeding the wake up call. America not only would not repent, it would greatly increase its credit limit

on depravity and sin. This will likely lead God to act. The upcoming date of Elul 23 is actually related to the Elul 23 of 9/11 and the date of homosexual marriage legalization.

On June 26, 2015, America legalized homosexual marriage. Although God removed America's hegemony in September, 2015, He did not fully judge it. God seemingly gave America even more time to repent. But did it?

Unfortunately, America continued in its disobedience. Obama even emphasized his defiance of the statutes of God. In May of 2016, he proclaimed: *“NOW, THEREFORE, I, BARACK OBAMA, President of the United States of America, by virtue of the authority vested in me by the Constitution and the laws of the United States, do hereby proclaim June 2016 as Lesbian, Gay, Bisexual, and Transgender Pride Month.”*

By now, it should seem logical that it could possibly be assumed that D-o-D could occur on this coming Elul 23 which is September 26, 2016.

If the Day of Destruction is to be Elul 23 of 2016, an amazing pattern emerges.

- September 26 is fifteen days after September 11.
- The year 2016 is fifteen years after the year 2001.

- Sept. 26, 2016 is fifteen months after June 26, 2015, the date of homosexual marriage.

OK. So, what are the chances of this happening? The fact that 2016 is fifteen years after 2001 is not significant. It is the baseline fact upon which the other relations stem.

However, the Elul 23 of this year could fall on any date for the month of September. It is about a 1-in-30 chance that it should happen to fall on a date exactly fifteen days after September 11<sup>th</sup>. This has approximately a 3% chance of randomly occurring.

The number of months between homosexual marriage and Elul 23 could have been 3 months, 7 months, or maybe even 100 months. To keep things simple, let us say that it is a 1% chance that there is a gap of EXACTLY 15 months (to the day) between homosexual marriage legalization and this coming Elul 23<sup>rd</sup>.

So, a fifteen day gap connects 9/11 and this coming Elul 23<sup>rd</sup>. A fifteen month gap connects homosexual marriage with this coming Elul 23<sup>rd</sup>. This is significant because of the fifteen year gap since 9/11.

The chances of these events being connected through the number 15 are calculated very rudimentarily as  $(0.03)(0.01) = 0.0003$ . This is one chance in 3000 that there is no implied significance to

the number 15 connecting these dates. To put it more bluntly, there most likely is some kind of reason that this is going on.

### **More Clues for Day of Destruction**

Not all of the clues for D-o-D can be analyzed in this short text. But for completeness, they are listed here.

- Prophetic significance of the Noah dates.
- Turkish coup and homosexual marriage dates are the same date in month of Tammuz.
- Obama's half American ethnicity (similar to father of Belshazzar).
- Azaz + the Turkish invasion (Euphrates Shield)
- Killer earthquake in Italy on same day as Turkish invasion + submarine ballistic missile launch by North Korea.
- Sept. 26, 2016 is day of first debate - a special event, similar to Belshazzar's feast.
- Operation Caucasus and movement of Russian troops in September, 2016.
- Solar eclipse on exactly September 1, 2016.
- Hillary falls on 9/11 ceremony on September 11, 2016.

## *Chapter 3*

### *Overall Thoughts about Day of Destruction*

It should go without saying that no one in their right mind should ever look forward to 1/3 of the earth becoming destroyed by fire. There are many good Americans and Russians living within their respective countries that do not deserve to die, should not die, but will die. My parents and sister are included among them.

What should a Christian do? Should a Christian ignore the warnings that America is Babylon the Great and that they should flee? The author's opinion is an emphatic *NO!* Christians throughout the world should understand that they are living in the end times, there is no pre-Tribulation “rapture” escape mechanism, and times are going to get tough.

Will D-o-D really happen on September 26, 2016, in just one day from the date of this publication? No one knows. But if it does, there were many, many signs that have already marked it out.

*This book shows the importance of 9 / 26 / 2016 and explains that. . .*

1. America is Babylon the Great as recorded in the book of Revelation.
2. God will soon punish America with the worst judgment since Noah's Flood.
3. The tragic events of 9 / 11 and possibly 9 / 26 have clues from the Hebrew calendar and ancient historical parallels.

The author, Michael Ross, also lovingly called *Babylon Man*, has studied the prophetic Scriptures for over 30 years.

After authoring multiple international articles in the engineering sciences, he now turns his attention to something of greater importance . . . the judgment of America.

A focus on the date of September 26, 2016 is provided as a very real possibility for the Day of Destruction that is approaching.
