On the cover

Xi Jinping now has more clout than Donald Trump. The world should be wary: leader, page 9. China's leader has been good for the Communist Party but not for his country, page 16. A study of China's foreign aid reassesses the country's reputation as a bad donor, page 26. America's politicians try to control Chinese firms abroad. It is a dangerous game: Schumpeter, page 59
