# Organic Production of **CARROT** in the Highlands

Department of Science and Technology (DOST)  
**Philippine Council for Agriculture, Aquatic and Natural Resources  
Research and Development (PCAARRD)**

# TABLE OF CONTENTS

Preface.....	iii
Acknowledgment .....	iv
Organic Production of Carrots in the Highlands.....	1
Uses and Nutritional Value.....	1
Varieties .....	3
Soil and Climate Requirements.....	4
Land Preparation .....	4
Planting.....	5
Production of Compost.....	5
Steps in Producing Compost .....	6
Production of Organic Plant Supplement.....	8
Preparation of Liquid <i>Trichoderma koningii</i> and its Application in Field Plots.....	9
Application of Compost and Organic Plant Supplement.....	10
Irrigation.....	12
Weeding .....	12
Hilling-up.....	12
Insect Pest and Disease Management.....	12
Management Options for Insect Pests of Carrot.....	13
Management Options for Major Diseases of Carrot.....	14
Maturity .....	18
Harvesting.....	18
Cost and Return .....	18
References.....	20
