ANNUAL
REPORT

DEPARTMENT OF SCIENCE AND TECHNOLOGY (DOST)
PHILIPPINE COUNCIL FOR AGRICULTURE, AQUATIC AND NATURAL
RESOURCES RESEARCH AND DEVELOPMENT (PCAARRD)

Message from the Secretary	iii
Message from the Undersecretary for R&D	iv
Preface	v
Executive Summary	1
Delivering Major Final Outputs	3
S&T Policy Services	4
Impact Assessment Program	4
Ex-ante Analysis Program	5
Policy Research and Advocacy	5
R&D Management Services	9
Crops	9
Abaca R&D Projects	9
Carrageenan as Plant Growth Promoter in Rice, Peanut, and Mungbean	10
Coconut Genomics Program	10
Smart Water Management Strategies for Sugarcane	11
Zero-Waste Jackfruit Production	13
Pilot Testing of Impeller-type Compact Rice Mill	14
Combined Conduction and Far-infrared Radiation Paddy Dryer	14
Alternative Crop Shelter Designs for the Production of High-value Crops in the Highlands	15
Forestry and Environment	16
Rubber Nanosensor	16
Monitoring and Detection of Ecosystems Changes for Enhancing Resilience and Adaptation Program	16
Establishment of Spore Bank for the Propagation and Conservation of Selected Economically Important Ferns	17
Biological-based Approaches for Managing Cacao Pests and Diseases	18
Restoring the Country's Native Forests through Forest Genetic Resources	18

Livestock	19
Conservation, Improvement, and Profitable Utilization of Philippine Native Pigs	19
E-commerce System for Boar Semen and Breeder Pigs	19
Application of Gene Marker Technology to Improve the Swine Industry	19
Inland Aquatic	21
Identifying Expansion Sites for Mussel Culture	21
Improved Performance of Captive Shrimp Broodstock	21
Protein-enriched Copra Meal as Feed Protein for Aquaculture	24
Integrating Genomics in CrabAPP	24
Genomic Approaches for Delineating Putative Management Units for Philippine Populations of Mangrove Crabs	24
Marine	25
National Coral R&D Program	25
Technology Promotion, Transfer, and Commercialization	28
FIESTA 2.0 at <i>iba pa</i>	28
S&T Action Frontline for Emergencies and Hazards Program	29
S&T Community-based Program for Inclusive Development	29
Intellectual Property Management	29
Business Development	30
Enhancing S&T Capability and Governance	32
International and Local Collaborations	32
In Search of S&T Breakthroughs	32
Partnership and Collaboration for the AANR R&D	33
Strengthening the Regional Consortia Management and Operations	39
Providing Support to Local Partners	40
Continual Improvement: PCAARRD's Transition from ISO 9001:2008 to ISO 9001:2015	40
Recognizing Excellence in Science and Technology	43

Human Resource Development	51
Capacitating the NAARRDN	51
Degree Program	51
GREAT Program	51
Thesis/Dissertation Assistance Program	51
Non-degree Training Program	51
Publication Incentives Program	54
Balik Scientist Program	54
Enhancing Capabilities of the PCAARRD Secretariat	54
Facilities Development/Improvement	58
Upgrading of NAARRDN Facilities	60
Repair and Maintenance of PCAARRD Facilities	60
Strengthening Technology Advocacy and Promotion through Information, Education, and Communication/Information and Communications Technology Enhancement	62
Financial Resources Management	67
Resources Generated	67
Fund Utilization	69
Support to Gender and Development	70
Way Forward	72
List of Acronyms	74
List of Tables	
Table 1. List of exchange scientists/experts and ACEs dispatched to RDA Korea, 2017	33
Table 2. Awards and recognitions received by PCAARRD and its staff for CY 2017	44
Table 3. Awards and recognitions received by PCAARRD R&D partner-researchers for CY 2017	46
Table 4. Recipients of the 2017 PCAARRD S&T Awards	48
Table 5. PCAARRD staff with completed graduate studies as of December 2017	55
Table 6. PCAARRD staff with ongoing graduate studies as of 1st semester, AY 2017-2018	55
Table 7. List of PCAARRD service awardees and retirees, CY 2017	57
Table 8. Estimated amount of resources generated by PCAARRD, by source of fund, CY 2017	67

List of Figures

Figure 1.	ASTHRDP scholars by field of specialization, CY 2017	51
Figure 2.	Distribution of PCAARRD personnel by educational attainment, CY 2017	56
Figure 3.	Proportion of non-degree training attended by PCAARRD officials and staff	56
Figure 4.	Proportion of facilities development projects supported by sector	61
Figure 5.	FOI process for requests	65
Figure 6.	Fund utilization, FY 2017	69

Appendices

Appendix 1.	PCAARRD Directors' Council Members, CY 2017	82
Appendix 2.	PCAARRD Governing Council Members, CY 2017	85
Appendix 3.	Regional R&D Coordinating Committee Chairpersons and Consortium Directors, CY 2017	89
Appendix 4.	The PCAARRD Secretariat	94
Appendix 5.	Accepted PCAARRD Nominees to International S&T-related Activities in 2017	97
Appendix 6.	Benchmarking Activities Conducted in 2017	99
Appendix 7.	Highlights of Meetings/Conferences Participated by the PCAARRD Directorate and/or Staff, CY 2017	100
Appendix 8.	PCAARRD's Involvement in ASEAN 2017 Activities	101
Appendix 9.	List of International Scientific Collaborations Established and Maintained in 2017	102
Appendix 10.	PCAARRD's International Visitors' Program, CY 2017	104
Appendix 11.	GREAT Program Scholars, CY 2017	105
Appendix 12.	Grantees of PCAARRD Thesis/Dissertation Support, CY 2017	109
Appendix 13.	Non-degree Trainings Conducted for the NAARRDN, CY 2017	110
Appendix 14.	Grantees of Publication Incentives, CY 2017	112
Appendix 15.	Balik Scientists Engagements for 2017	114
Appendix 16.	Non-degree Trainings Attended by PCAARRD Officials and Staff, CY 2017	115
