On the cover

If Xi Jinping reforms China's economy, he could both calm the trade war and make his country richer: leader, page 11. The struggle over economic policy, see our essay, page 41

• **India v Pakistan—again** An election raises the stakes as India weighs its response to the latest of many Pakistan-backed terrorist outrages, page 21. Pakistan faces a diplomatic squeeze from three sides, page 22

• **Hatred in France** A nasty brew—anti-Semitic, anti-black, anti-elite—is bubbling, page 47

• **The sly appeal of private equity** It is not just growth that attracts investors: Buttonwood, page 68

• **How to stay sane on a trip to Mars** Imagine being cooped up for three years with the same handful of irritating people, page 71. Opportunity, a rover on Mars that exceeded all expectations, was declared lost on February 12th: Obituary, page 82

The world this week

- 8 A round-up of political and business news
